Family Planning Program

Pharmacy and Medication Policy

The Heidi Group/Webster Family Care will provide the following documentation and services for the patients being treated through the Family Planning Program.

1. Prescriptions will be provided by the clinic in **one** of the following three ways.
 - a. Provide a Class D Pharmacy License number.
 - b. Provide a Memo of Understanding between the clinic and a pharmacy to provide generic, non-clinician administered hormonal contraceptive methods and antibiotics for the treatment of STIs and other infections at no charge to the patient. The pharmacy will invoice the clinic for the payment who in turn will be reimbursed through the Family Planning Program. Birth control prescriptions will be written to continue through August 2017.
 - c. Provide a prescription for the patient directly to a participating (1) Walmart (first choice) or (2) Walgreens (backup) which will be paid by the provider by a credit card listed on the prescription. The prescription will be faxed or e-mailed to the pharmacy. The selected pharmacy will provide generic, non-clinician administered hormonal contraceptive methods and antibiotics for the treatment of STIs and other infections at no charge to the patient. The credit card will be retained on file for each patient individually for future refills. Birth control prescriptions will be written to continue through August 2017.
2. Refills from the partner pharmacy/pharmacies will be prescribed without an additional clinic visit unless medically indicated/necessary and at no charge to the patient.
3. A Class D Pharmacy License Exemption Request will be completed and submitted for each clinic without a Class D Pharmacy License number.
4. If the clinic does not have a Class D Pharmacy License, it will apply, but will currently provide prescriptions in one of the interim processes described in 1b and 1c.
